REQUEST FOR EXPRESSION OF INTEREST FOR PREQUALIFICATION

PROVISION OF ONSHORE & NEARSHORE GEOTECHNICAL SERVICES

TOTAL E&P UGANDA B.V ('COMPANY'), an Oil and Gas exploration company, seeks to prequalify reputable vendors to provide Onshore and/or Nearshore Geotechnical services in Uganda (Buliisa Area). These services will include, but not be limited to, the following:

- **Work Package 1**: Onshore Geotechnical Services only
 - o Continuous core drilling up to 60m with undisturbed sampling and SPT testing
 - o Piezometers
 - o In Situ Permeability tests
 - o Cross-hole geophysical tests
 - o **OPTIONAL**:
 - Cone Penetration Test (CPT) up to 60m or up to refusal
 - Pressuremeter testing in drillholes
 - o On site & In-Office soil and water laboratory test
 - o Positioning
 - o Associated logistics Support
 - o Report including factual report and recommendation report for design
- **Work Package 2**: Onshore and Nearshore Geotechnical Services
 - o Onshore:
 - Continuous core drilling up to 60m with undisturbed sampling and SPT testing
 - Cone Penetration Test (CPT) up to 60m or up to refusal
 - Piezometers
 - o Nearshore:
 - Continuous core drilling up to 60m with undisturbed sampling and SPT testing
 - Cone Penetration Test (CPT) up to 60m or up to refusal

- o On site & In-Office soil and water laboratory test
- o Positioning
- o Associated logistics Support for onshore and nearshore operations
- o Report including factual report and recommendation report for design

Vendor minimum requirements:

- a) Experience/performance in similar contracts within Uganda, East Africa or internationally in compliance with International Standards
- b) Suitably qualified and experienced personnel;
- c) Certified to provide, install, maintain & calibrate the proposed equipment to perform the above described Service at international standards
- d) Sufficient resources within Uganda to perform the services;
- e) Financial capability to perform the above described Service;
- f) H3SE policy in compliance with International Standards to perform the above described Service.

Interested companies who meet the aforementioned minimum requirements and have the capability to provide the services listed above, should request a pre-qualification questionnaire (PQQ) by sending an email to: **EP.PREQUALIFICATION-UGEP@total.com** on or before 12h00 Kampala time **August 16, 2016**.

Interested companies should clearly specify in their PQQ request if they can provide services for both Work Packages (1 and 2), or only one of them (specify which one).

Prequalification questionnaires will be subsequently issued at the **closure date of the Expression of Interest**.
